

Your Host > 31st ISA World Championship of Shuffleboard, Seattle WA

Rob Robinson standing beside the promotional poster for the 2011 Dieppe Event will be your host for the 31st ISA World Championship in Seattle Washington, USA.

Although the dates are not yet etched in concrete, it is fully expected the event will begin 2012 07 31 through 2012 08 08. As final details become available they will be available on the ISA Website.

Robbie is no stranger to this type of activity. He will be ably assisted by the Crouse Family. I first met him and wife Margaret in Mesa AZ while participating in the 2004 ISA World Championship. They and some others threw a party for us "Canucks" who had arrived

early! Much appreciated and still remembered!!

Play in Seattle will be on Roll Out Courts. This will be a Team Event with 13 Men's Teams Expected and 11 Women's Teams (President's best estimate as of Board Meeting in Dieppe, 2011 08 06.) 6 to a Team with 4 playing at any one time.

If you are thinking of travelling before or after > opportunities could not be better!! Cruise to Alaska or drive and visit Canada's Yukon with the wonderful history of the Gold Rush of 98!! Victoria BC is a wonderful town to visit!! I am sure that Seattle offers unlimited opportunities!! This will be another 1st Class Event!! I suppose the very first thing for many of us is to **get on the Team!!**

Good Shuffling: Stan McCormack in Calabogie, ON 2011 08 11.
